MORTGAGE COMPANY

309 Fellowship Road  
East Gate Center, Suite 200

Dear Union Leader:

I am James Barber, President of Union Plus Mortgage Company (UPMC). We need your assistance to spread the word about our new union-owned mortgage company so that members can enjoy the special benefits designed for them.

You can help by:

1. **Identifying union meetings** where UPMC could present and reach more local union leaders and members in your area.
2. **Using your communications channels** to help us build awareness and usage of the program with both union leaders and members. We created an electronic toolkit so you can download pre-approved content, including a sample email, Facebook post, web banner, testimonial and flyer at: [www.unionplus.deals/upmc](http://www.unionplus.deals/upmc)
3. **Distributing communications materials** to local unions in your area by referring them to the downloadable link above and to our UPMC staff.

If you have any questions or need any additional materials such as brochures about UPMC, please do not hesitate to contact me at **(609) 357-0014** or **[jbarber@unionplusmortgage.com](mailto:jbarber@unionplusmortgage.com)**.

I thank you in advance for your efforts in spreading the word about the new UPMC.

In Solidarity,

*James*
